### ARMISTICE DAY.

One year ago today, the Germans signed the armistice which put an end to the Great War, the greatest conflict in the history of the world. On that day at eleven o'clock the guns which had belched forth death and destruction for over four long years ceased to fire—and Pella, and Tommie and Yank looked across No Man's Land at the Boche, no longer fearing the "red rain." It was a day of rejoicing over the whole world. Those who were in France will never forget the joyful cry of the French people, "Finis la Guerre!"

We are called upon today to celebrate the first anniversary of this day. One year—and as yet we are not at peace with Germany. Many of the high ideals which are people professed as reasons for our entrance into the war have seemingly been dumped into the scrap heap of forgotten ideas.

This day we should think carefully and question our selves as to whether our ideals and our purposes as a nation are as high and lofty, as we professed them during the war.

Dr. Jno. G. South, whose wife was a daughter of Gov. Bradley and a cousin of the new Governor, will be chairman of the inauguration committee. The installation of Governor Morrow on Dec. 9 will be made a big affair by the victorious Republicans.

On the city dumps of Louisville \$250,000 worth of bottles are annually thrown away and reclaimed and gold by contractors for the privilege. It is needless to say that most of them are empty and many of them small of liquor.

It is reported that there is much dissatisfaction among D'Annunzio's soldiers because of scant food. There is little military discipline. Sooner of later D'Annunzio will recognize the fact that the pen is mightier than the sword.

The City Council of Indianapolis has passed an ordinance imposing a \$100 fine on aviators, other than government employes flying over the city. Arresting the offenders is another matter, unless wild geese can be trained as policemen.

Gov.-elect Morrow's family consists of his wife, who was a daughter of the late O. W. Waddell, of Somerset, Ky., and two children, Edwina and Charles Robert, both in their early teens.

Senator Kenyon has a bill pending to compel all foreigners to learn the English language. The Senator's intentions are altogether praiseworthy, but lots of native-born Americans have not yet learned to read it.

Hugo Haase, the socialist leader in Germany, shot Oct. 8 at Berlin, died Nov. 7 of his wounds. It is now in order to bring in another Haase.

The lower House of the Legislature has 54 Republicans and 46 Democrats. The Senate has 20 Democrats and 18 Republicans.

West Virginia was rated one of the best football teams in the country and had defeated Princeton and Syracuse.

Cary R. Miller, American Vice-Consul to Stockholm shot and killed himself in his suite in the Waldorf-Astoria on Saturday.

The courts of England are clogged with 2,000 new divorce cases, which shows that all of the war marriages were happy ones.

Seven and one-half percent of the children born in Scotland in 1917 were illegitimate.

McCracken county gave Morrow 121 majority, but Jack Stites beat his man for the Legislature 61 votes.

The Kaiser has been in Holland a year and no attempt to extradite him has been made.

The King and Queen of the Belgians have arrived at Lisbon, Portugal, on their way home.

French railroad men refused to obey strike orders issued by the extremists in the union.

The first blizzard of the season has been reported at Delhart, Texas.

## FARM BUREAU ORGANIZED AT LOUISVILLE

LOCAL FARMERS ATTEND AND HELP ORGANIZE STATE FEDERATED BUREAU

TO PROTECT FARM INTERESTS

Great National Organization Planned Will Meet At Chicago Next Week.

Sunday night, Messrs. Cowherd, Holland Garnett, W. W. Radford of Howell, and Frank Kelly of Pembroke, returned from Louisville, where they attended the first meeting and organization of the Kentucky Farm Bureau, Federated.

Some weeks ago 400 or 500 of the farmers of the county organized the Pennyroyal Farmers' Club for the general improvement of farm conditions in the county. These four men represented their local organization at the meeting of Kentucky farmers at Hotel Watterson in Louisville on Saturday. Representatives of fifty-one counties were present, and adopted a constitution declaring their loyalty to the country and pledging their support to the government, and favoring better business methods for the agricultural interests of the State. The constitution also provides for the election of a president, first and second vice-presidents, treasurer and executive committee composed of one member from each of the eleven congressional districts in Kentucky. The following temporary officers were elected: John Crenshaw, of Cadiz, president; J. R. Downing, Mason county, first vice-president; H. S. Berry, Owensboro, second vice-president, and W. S. Flowers, Logan county, secretary.

The object of the new organization is to protect and to promote the business and economic interests of the State, and to correlate and strengthen the several county farm bureaus in the State Federation. Five States already have such organizations with Iowa leading in the work. The new project is endorsed and encouraged by the State and Federal Extension Bureaus and the work is to be entirely in harmony with these bodies.

It is hoped that the new organization will be a connecting link between organized labor and organized capital. It is also hoped that by a great national organization, it will be able to stabilize the markets for farm products and reduce the fluctuations.

At the convention in Louisville John Crenshaw, of Cadiz, was elected to attend the national convention at Chicago on November 13th and 14th.

## WEDDING BELLS

Smith-Hudson.

The approaching marriage of Miss Bettie Bankhead Hudson, daughter of Mr. and Mrs. Washington E. Hudson, to Mr. Sidney Salisbury Smith, is announced to take place at Tulsa, Okla., on Nov. 22nd at the Trinity Episcopal church, at 8 o'clock p. m. The bride-to-be is a granddaughter of the late J. B. Dade, and a niece of Mrs. Virginia Lipscomb.

Lyde-Nabb.

Miss Ruth Nabb, of this city, and Mr. C. K. Lyde, a traveling salesman of Deatur, Ala., were married Thursday afternoon at the home of the bride's sister, Mrs. E. L. McLin, at Princeton, Ky. Rev. W. B. Cardwell, pastor of the local Methodist church, performed the ceremony.—Dawson Progress.

Grayson County Centenarian.

At the family residence of James Mahurin, twelve miles west of Leitchfield, on October 29th, was held the celebration of the 100th anniversary of Rachel Dewese Mahurin, widow of Stephen Mahurin, deceased, a pioneer of Grayson county, and one of the earlier settlers.—Grayson Gazette.

VALUED COLORED CITIZEN.

James Allensworth, son of James L. Allensworth, Jr., died Saturday following an operation, aged 21 years. He left a young widow. He was a grandson of Rev. J. L. Allensworth, former coroner.

## BUT A WOMAN'S WORK IS NEVER DONE

## H. H. S. WINS GOOD GAME

Beats Evansville By Score of 7 to 0. Hooe Makes Touchdown After Long Run.

The High School football team beat Evansville High on Saturday to the tune of 7 to 0.

High School was outweighed from four to five pounds to the man, but this made no difference as they outplayed Evansville at every phase of the game. High used straight football, trying only one forward pass. Croft and Acree were repeatedly shot at the heavy Evansville line and rarely failed to gain on off tackle plays.

In the first quarter High School made a touchdown but was called back by the referee and penalized on account of the backfield being in motion when the ball was snapped. Immediately, however, Evansville held for downs, took the ball, and punted it to Hooe who ran the ball back forty yards for a touchdown. This was one of the prettiest runs ever made on a local field.

The remainder of the game was a hard fight with the High School having all the advantage. The ball was never in High School's territory but once. Numerous penalties cost High School another touchdown.

Croft, Acree, Hooe, and Sacks played the best game for High School. Springer and Bruner did the best work for Evansville.

## ANOTHER LOSS OF TOBACCO

Loss of \$4,000 or \$5,000 With Insurance for \$2,750.

A large barn on the Peebles farm, owned by Mrs. McPherson, was burned Saturday. It was filled with tobacco owned by C. R. Adams and Dan Williams. The tobacco was insured for \$1950 and the barn for \$800.

Nearly a dozen barns have been burned in the county this fall, at a loss of something like \$150,000.

## THREE MEETINGS HELD SUNDAY

Baptist Campaign Grows In Interest As Victory Week Approaches.

Three good meetings were held in the country churches Sunday in the interest of the \$75,000,000 Baptist campaign.

An all-day meeting at Pleasant Hill was addressed by Rev. T. T. Powell, Chas. M. Meacham, Will J. Garnett, of Pembroke; H. L. Trimble, of Russellville, and Dr. J. W. Gaines. Five autos filled with workers attended and the ladies held a separate meeting. They found a well organized W. M. U. The church has just had a revival of 46 additions. It is well organized for the campaign and the quota of \$9,000 will be raised. Dinner was provided for all.

At Locust Grove C. E. Woodruff and Geo. E. Gary were the speakers and a fine meeting was held, the ladies taking part. The church will raise its quota of \$10,000.

At Bethel church at Fairview, R. C. Ware, H. W. Boxley, of Howell, and W. J. Dickinson, of Trenton, visited the church and held a good meeting. The quota of this church is \$7,000 and a good report may be expected.

The meeting at West Grove Sunday and that at Hight's Grove Saturday could not be reached with autos on account of bad roads.

## MANY MAGAZINES MOVE THEIR OFFICES TO OHIO

Cincinnati, Cleveland, Springfield and Dayton are Ohio cities profiting by the exodus of 60 magazines from New York through the printers' strike. Some don't expect to return.

In most cases editorial staffs remain there but the mechanical work is done outside. The magazines that have left New York include the following:

Vogue, Vanity Fair, Century, Life McClure's, Judge, Leslie's, Cosmopolitan, Collier's, Harper's Bazaar, Good Housekeeping, Forum, Metropolitan, Dial, Dramatic Mirror, Survey, Harvey's Weekly, Motion Picture News, Moving Picture World, Hardware Age, Motor World, Automatic Industry, Mining and Engineering Journal, House and Garden, St. Nicholas, Costume Royal, Printers' Ink, Field and Steam, Paper Trade Journal, Tobacco, El Indicator, Town and Country, Azoth, American Stationer, Hotel Review, American Exporter, American Export Industry, Spur, Electric Railway Journal, Asia, Sea Power, Boys' Life, Film Fun, Mechanical Engineering, Good Roads Magazine, and Municipal Journal.

## A. F. O. L. SAYS STRIKE JUSTIFIED

PLEDGES SUPPORT OF UNIONS TO ALL MEN WHO QUIT THE MINES

MANY UNION LEADERS DIFFER

President of Mine Workers Denies He Said He Would Obey Judge's Command.

Washington, Nov. 10.—Holding that the action of the government in injunction proceedings against striking bituminous coal miners to be so "autocratic as to stagger the human mind," the executive council of the American Federation of Labor declared last night in a statement issued after a four-hour meeting that the miners' walk-out was justified, promised for the strike the entire support of organized labor, and asked aid and endorsement for it from the general public.

The Lever act, under which the Government acted in the court proceedings, never was enacted to apply to workers, the council asserted, and its use against the miners was classed as "an injustice not only to workers, but to liberty loving Americans." The action was taken without the participation of William Green, general secretary of the mine workers, who is a member, but all the remaining principal officers of the American Federation of Labor were present.

What Union Leaders Say.

Indianapolis, Ind., Nov. 10.—John L. Lewis, acting President of the United Mine Workers of America, last night denied that he agreed to comply with the order of the Federal Court here yesterday to call off the strike of bituminous coal miners of the country before 6 p. m. next Tuesday evening.

"Statements to the effect that I shall or shall not comply with the mandatory proceeding of the injunction were unauthorized and premature," he declared.

Mr. Lewis' declaration was made in view of a reported statement of counsel for the miners yesterday that Mr. Lewis and Secretary-treasurer William Green purpose to obey the court's order, but that they could not speak for other officials.

While Mr. Lewis would not comment further on the subject, others indicated that the statement of the miner's attorney was intended to show a willingness of the two officials to call a meeting of the international officials, district presidents, executive board and members of the mine-consider the court order.

The meeting of union officials has been set for 10 o'clock this morning. Several of the district officials, inners' scale committee for tomorrow including Frank Farrington, president of the Illinois district, arrived today, but none of them would make any statement.

The outcome of today's conference is problematic. Several district presidents gave out last night statements on the situation showing a wide divergence of opinion as to what course should be adopted.

Howat Would Defy Order.

Alexander Howat, president of district No. 14, Pittsburg, Kan., declared that his attitude was unchanged and that "regardless of injunction, prisons and judges of the United States," he was going to fight. S. C. F. Keeney, president of district No. 17, West Virginia, said that "if ordered to do so" he would withdraw the strike order in his district, as it was not his intention to fight the government.

William J. Tackett, secretary-treasurer of district No. 16, Maryland, expressed the opinion that even if the strike order were rescinded the men would not have to return to return to work and added: "I don't think they would."

Many union men have contended even since the strike was called that as the strike was ordered by the full convention of miners in Cleveland, only another convention would authorize calling it off. Another phase of the situation in that connection presents the question of what action the government might take if the miners as individuals refuse to obey an order of officers rescinding the strike order.

Government officials are taking no action pending the expiration of the

## MRS. THOMPSON BURIED SUNDAY

Wife Of Veteran Tobacconist Died Saturday Evening.

Mrs. Jimmie Hickman Thompson, wife of James P. Thompson, the retired tobacco warehouseman, died Saturday evening after a long illness.

Mrs. Thompson was a daughter of the late Dr. L. B. Hickman and was 65 years of age. She is survived by her husband, a sister, Mrs. E. M. Flack and a brother, Baylor Hickman, of Louisville.

She was a member of the Westminster Presbyterian church. Funeral services were held Sunday afternoon by Rev. A. S. Anderson. Interment was in Riverside cemetery.

time given the union chiefs to withdraw the strike order.

C. E. Ames, assistant attorney general in charge of the government's proceedings against the union mine workers, has returned to Washington. John G. Cheighton, bureau of investigation official, is still in Indianapolis and, with local government officials, is charged with enforcement of the court's injunction.

The operators, the third party to the miners' controversy, still maintain the attitude adopted immediately after the strike was called—that is, to re-open negotiations as soon as the miners resume work. This attitude was reiterated by Thomas T. Brewster, chairman of the coal operations scale committee. Mr. Brewster said that he expected production of bituminous coal to be resumed shortly, as he "assumed" the court order would be obeyed.
